To Whom May It Concerns

After close consideration with our partners from around the world, IMPACT Exhibition Management & MEX Exhibitions Pvt. Ltd - the organisers of LED Expo Thailand + Light ASEAN 2020 has decided to postpone the event originally scheduled from the **24 - 26 June 2020**, with the new dates confirmed for the **7 - 9 October 2020** at IMPACT Exhibition Center, Bangkok, Thailand.

Following the outbreak of coronavirus (COVID-19), travel restrictions are in place in a number of countries and whilst local government guidelines and the World Health Organisation have not currently recommended specific control measures in Thailand, we believe it is in the best interests of all our exhibitors, attendees and colleagues to postpone the show. Fellow organisers around the world have faced similar tough decisions and have had to change dates of well-established flagship events.

Any exhibitor contracts and payments made for LED Expo Thailand + Light ASEAN 2020 will carry over to the revised dates. Our team will reach out to you and all parties regarding further logistics and planning. We sincerely hope that you understand that this decision is being made in the interest of both buyers and sellers in the region, who would better benefit from attending the show on the new dates.

Finally, we wish to thank those who participate and support LED Expo Thailand + Light ASEAN 2020 and we greatly appreciate your patience and understanding. We look forward to welcoming you again to LED Expo Thailand + Light ASEAN this October 2020.
